

DUTCHESS COUNTY INDUSTRIAL DEVELOPMENT AGENCY

Local Workforce Utilization Policy

Construction jobs, though limited in time duration, are vital to the overall employment opportunities in Dutchess County. The Dutchess County Industrial Development Agency (the “Agency”) believes that Project Applicants (the “Company”), as a condition to receiving Financial Assistance (including a sales tax exemption, mortgage recording tax exemption, real property tax abatement and/or bond proceeds) from the Agency, will be required to utilize qualified Workforce, as defined below, for all projects involving the construction, expansion, equipping, demolition and/or remediation of new, existing, expanded or renovated facilities (collectively, the “Project Site”).

For Projects \$10,000,000 and Above

Local Area Defined

For projects equal to or greater than \$10,000,000 the Local Area is defined as individuals residing in the following County/Cities/Towns/Villages as well as the following Counties (collectively, the “Local Area”): Dutchess County, Orange County, Putnam County, Rockland County, Sullivan County, Ulster County and Westchester County.

Local Workforce Requirement

At least **80%** of all project employees of the general contractor, subcontractor, or subcontractor to a subcontractor (collectively the “Workers”) working on the Project Site must reside within the Local Workforce Area. Companies do not have to be local companies as defined herein, but must employ local Workers residing within the Local Workforce Area to qualify under the 80% local Workforce criteria.

Local Workforce Reporting Requirement

The Local Workforce criteria will be verified based on employment, payroll and related records.

In addition, the Agency, or its designated agents, shall have the right, during normal business hours, to examine and copy records of the Company and to perform spot checks of all Workers at the Project Site to verify compliance with the Local Workforce requirement throughout the construction period.

Enforcement

If Agency staff determines that: (1) The Local Workforce Requirement is not being met; or (2) Agency Staff, upon use of its reasonable discretion, discovers or becomes aware of a compliance issue related to the Local Workforce Requirement, then a written warning delivered by Certified Mail of said Local Workforce Requirement violation (the “Warning of Violation”) shall be provided to the Company.

In the event a subsequent violation of the policy has occurred, then written notice delivered by Certified Mail of said Local Workforce Requirement violation (the “Notice of Violation”) shall be

provided to the Company and the Executive Director shall bring the information to the Board of Directors which may, in its discretion, take action to revoke IDA benefits.

Waiver Request

It is understood that at certain times, Workers residing within the Local Area may not be available with respect to a Project. Under this condition, the Company is required to contact the Agency to request a waiver of the Local Utilization Requirement (the “Local Workforce Utilization Waiver Request”) based on the following circumstances:

- Warranty issues related to installation of specialized equipment or materials whereby the manufacturer requires installation by only approved installers
- Specialized construction for which qualified Local Workforce Area workers are not available;
- Significant cost differentials in bid prices whereby the use of local Workforce significantly increases the cost of the project. A cost differential of 10% is deemed significant. Every effort should be made by the contractor or applicant to get below the 10% cost differential including, but not limited to, meeting with local construction trade organizations and local contractor associations
- Documented lack of workers meeting the Local Workforce Area requirement

The Agency shall evaluate the Local Workforce Utilization Waiver Request and make its determination related thereto based upon the supporting documentation received with such waiver request.

The foregoing terms have been read, reviewed and understood by the Company and all appropriate personnel. The undersigned agrees and understands that the information contained herein must be transmitted and conveyed in a timely fashion to all applicable subcontractors, suppliers and materialmen. Furthermore, the undersigned realizes and understands that failure to abide by the terms herein could result in the Agency revoking all or any portion of Financial Assistance, whether already received or to be received by the Company, as it deems reasonable in its sole discretion for any violation hereof.
