

Think DUTCHESS

For Aviation

NYC business aviation has a new destination

22 hassle-free minutes to Midtown

Hudson Valley Regional Airport (KPOU) is a prime location for your aviation needs.

- 22 minutes by AAG's fleet of S76s to New York City heliports
- Over 12 acres available for hangar development
- Airframe and Powerplant Program
- Part 139 Airport Certification
- Highly skilled, educated workforce
- Easy access to interstates
- Low risk of natural disasters
- State and local incentives
- Sales and use tax exemption
- Expedited permitting and review

Hudson Valley Regional Airport is an approved StartUP NY location. **Eligible companies can benefit from zero taxes for 10 years including state personal income taxes.**

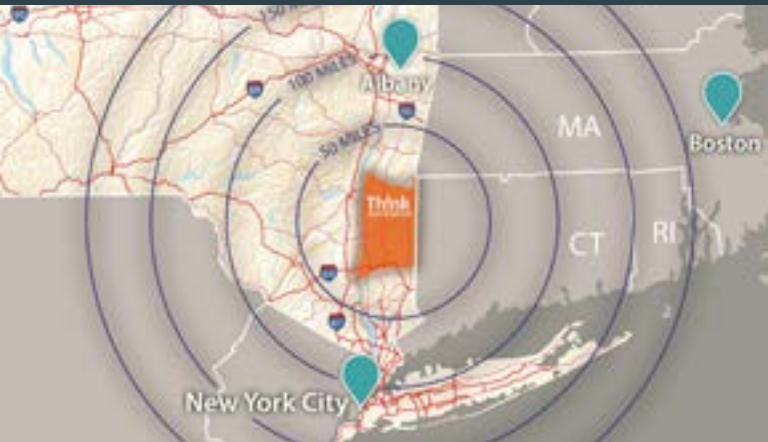

TAX FREE FOR 10 YEARS

You may want to stay a while

Our river cities offer historic homes, downtowns and waterfronts with plenty of attractions, restaurants and parkland to enjoy life. And our suburban and rural towns and villages build further on our character and diversity.

Hudson Valley Regional Airport's easy access to major transportation, including Amtrak and Metro North Railroad, and Interstates 84 and 87, make Dutchess a hub of activity in the Tri-State area. Vassar Brothers Medical Center and MidHudson Regional Hospital of Westchester Medical Center provide unparalleled quality of care, and are making unprecedented investments to continue enhancing healthcare in the Hudson Valley.

Our award-winning institutions of higher education: Bard College, The Culinary Institute of America, Marist College, and Vassar College attract students, families and businesses from around the globe.
