

Marilyn Yerks is the Chief Financial Officer of the Dutchess County Local Development Corporation (d/b/a Think Dutchess) and the Dutchess County Industrial Development Agency.

Ms. Yerks is responsible for the overall financial, accounting, and compliance aspects of the DCLDC and DCIDA along with dealing with external relationships and the preservation and management of all assets.

Marilyn joined Think Dutchess in January of 2016. With a career devoted to the nonprofit sector, she has been fortunate to work in a wide variety of industries including healthcare, land conservancy, agriculture, and education. She has served on various boards in her community, including her local and regional Boards of Ed.

Ms. Yerks holds a Masters in Public Administration and a Bachelors in Accounting, both from Marist College.
