WHY INVEST IN DUTCHESS COUNTY, NEW YORK

INCENTIVES & FINANCING

Businesses new to Dutchess County are eligible for multiple incentives, including [Excelsior Jobs](#), providing new-hire tax credits for employers in manufacturing, and [Consolidated Funding Application](#), for businesses to access development grants and financing.

QUALITY OF LIFE

Built around the Hudson River, Dutchess County provides ample attractions and outdoor activities with a median home price of \$224,700 and an average household income of \$90,923. Dutchess also ranks #3 for safest mid-sized metro areas across the U.S.

FOCUS ON TALENT

Dutchess County offers multiple programs to directly address manufacturing employers' workforce challenges:

[COUNCIL OF INDUSTRY \(CI\)](#): the manufacturers association for Hudson Valley and the #1 resource for manufacturing jobs in the area, connecting members directly with skilled workers

[GO MAKE IT](#): a public-private initiative encouraging young people in Dutchess County to consider careers in advanced manufacturing, providing information on the industry's cutting-edge technology, attractive salaries and growth opportunities

[NEW YORK STATE MANUFACTURERS INTERMEDIARY APPRENTICESHIP PROGRAM \(MIAP\)](#): an employer-led, public-private program offering apprenticeships in six different trades: Machinists (CNC); Electro-Mechanical Technicians; Maintenance Mechanics (Automatic Equipment); Quality Assurance Auditors; Toolmakers and Industrial Manufacturing Technicians
