Eastdale Village Adds Two Anchor Food & Beverage Offerings to Community's Roster

Outposts of Local Favorites Crafted Kup and Pizzeria Posto to Open This Fall

POUGHKEEPSIE, N.Y. (February 4, 2019) — As construction continues at Poughkeepsie's first pre-planned community of its kind, [Eastdale Village](#) is excited to announce the addition of two staple food and beverage offerings. [Crafted Kup's](#) third location and [Pizzeria Posto's](#) second location will open at Eastdale Village in Fall 2020.

A mainstay in the Arlington area for over a decade, the Crafted Kup specializes in handcrafted espresso beverages, organic fair-trade coffees and teas, and local baked goods. In 2015, the coffee shop expanded its space and menu on Raymond Avenue and in 2017 opened a second location in the Poughkeepsie Galleria. Like its other locations, its Eastdale location will offer high-quality coffee and espresso beverages, but will also include a full-scale bakery featuring a selection of from-scratch pastries and baked goods, led by Executive Pastry Chef, Josh Whitney.

"More than anything, I'm excited to be a part of a project that will help change the face of Poughkeepsie," said Tanner Townsend, owner of Crafted Kup. "I believe in the Kirchhoff's passion and dedication to making Eastdale the premier spot to live, work, eat and play in the Hudson Valley."

Ranked among I Love New York's best pizzerias in the state, [Pizzeria Posto](#) will take its much-loved artisanal pizza to Eastdale Village this fall. Since opening its original Rhinebeck location in 2012, the restaurant has served as a gathering place for residents and visitors alike, many of whom travel over 100 miles to enjoy the restaurant's wood-fired pizza, specially made in its brick oven from Italy. The Eastdale location will serve to expand its reach into Poughkeepsie with a similar, authentic menu to the flagship restaurant.

"Eastdale Village will be a great second location for us," said Patrick Amadeo, owner of Pizzeria Posto. "With a main street, residences and a host of other retailers coming on-site, there is no community like this in New York State."

"Local favorites like Crafted Kup and Pizzeria Posto are what will make Eastdale Village a popular destination for both residents and visitors in and around the Poughkeepsie region," said Joseph Kirchhoff, founder of Kirchhoff Companies. "We couldn't be happier to welcome them. These two handpicked additions to Eastdale Village will work in harmony with other culinary destinations at Eastdale to offer patrons additional foods and services, and provide unparalleled synergy among our commercial businesses. That is what Eastdale is about."
